

Resources for preparing creation-honoring services and sermons:

Interfaith/Ecumenical Resources:

EarthMinistry.org - a nonprofit organization that engages the Christian community in environmental stewardship. <http://www.earthministry.org/resources/worship-aids/sermons/>

CreationCareForPastors.com - a resource for pastors interested in a growing emphasis within the Christian community called "Creation Care": applying biblical principles of stewardship to the environment we share with all living things. <http://www.creationcareforpastors.com/sermons>

The Regeneration Project - an interfaith organization working to deepen the connection between ecology and faith. <http://www.theregenerationproject.org/Resources.htm#serm>

Sermon resources by denomination:

Catholic Climate Covenant: <http://catholicclimatecovenant.org/resources/>

The Episcopal Ecological Network (EpEN) - <http://eenonline.org/reflect/liturgy.htm>

Presbyterians for Restoring Creation - <http://www.prcweb.org/index.cfm?fuseaction=resources&fuse=resources#scriptures>

Evangelical Environmental Network - <http://www.creationcare.org/resources/sunday/adult.php>

Unitarian Universalist Ministry for Earth- http://uuministryforearth.org/res_worship.htm

Coalition on the Environment and Jewish Life - SEEDS program - <http://www.coejl.org/programbank/index.php>
